REQUEST FOR REFUND OF UNAUTHORIZED CREDIT CARD CHARGE

Ms. Connelly:

An unauthorized charge of (\$372.00) was charged to my credit card account Mastercard on or about January 15, 2003. I received this information via a telephone call with a representative for the card company. I

have no information regarding with which purported application serial number this charge may have been associated. A review of my April 2002 thru January 2003 office filings and payments indicate that no such amount (\$372.00) was ever required or authorized in any of my pending applications. Would you please be so kind as to investigate this matter and issue a credit for the amount erroneously charged. I have already placed this amount in dispute with the credit card company as I never authorized such a transaction.

Thank you for your consideration and assistance in this matter.

Respectfully Submitted,

Raymond A. Joao
